Annotations to Finnegans Wake By Roland McHugh

Roland McHugh's classic *Annotations to Finnegans Wake* provides both novice readers and seasoned Joyceans with a wealth of information in an easy-to-use format uniquely suited to this densely layered text. Each page of the *Annotations* corresponds directly to a page of the standard Viking/Penguin edition of *Finnegans Wake* and contains line-by-line notes following the placement of the passages to which they refer, enabling readers to look directly from text to notes and back again, with no need to consult separate glossaries or other listings.

McHugh's richly detailed annotations distill decades of scholarship, explicating foreign words, unusual English connotations and colloquial expressions, place names, historical events, song titles and quotations, parodies of other texts, and Joyce's diverse literary and popular sources. This thoroughly updated fourth edition draws heavily on Internet resources and keyword searches. For the first time, McHugh provides readers with a synopsis of the action of *Finnegans Wake*. He also expands his examination of possible textual corruption and adds hundreds of new glosses to help scholars, students, and general readers untangle the dense thicket of allusions that crowds every sentence of Joyce's nearly inscrutable masterpiece.

Editorial Review

Review

McHugh remains admirable for his collection.--Tim Conley "James Joyce Quarterly "

McHugh remains admirable for his collection.

--Tim Conley "James Joyce Quarterly "

Review

Unravels the mysteries of James Joyce.

(*New York Times*)

A daunting and delightful book.

(*Modern Fiction Studies*)

All readers who contemplate any exegetical move whatsoever in the *Wake* must put the revised *Annotations* on the top of their pile of reference books.

(*James Joyce Quarterly*)

McHugh remains admirable for his collection.

(Tim Conley *James Joyce Quarterly*)

It is hard to think of any reader of *Finnegans Wake* who would not have Roland McHugh's *Annotations*... on his desk.

(*James Joyce Literary Supplement*)

I don't think we still have readers such as Roland McHugh who read the *Wake* without any help: most novices read the *Wake* in one hand and McHugh's *Annotations* in the other.

(*A Collideorscape of Joyce*)

About the Author

Roland McHugh moved to Dublin in 1973 in order to understand *Finnegans Wake* more completely and has lived there ever since. He is the author of *The Sigla of "Finnegans Wake"* and *The "Finnegans Wake"*

Experience.
