INTERACTIVE FLIP BOOK preview at [EroticFlow](#).

Did you know a woman can have the most explosive, full body orgasms of her life by adding anal stimulation to her sexual enjoyment?

The 7 NIGHT to ECSTASY SYSTEM for beginners, THE 3 NIGHT DELIGHT

SYSTEM for advanced couples, or THE CUSTOM SYSTEM 2 or more nights for your specific situation, along with the SEPOR Method will provide a clearly defined strategy on how to take it slow with your woman, so the process is pleasurable for her from beginning to end.

Learn how to approach communication, build trust, and proper preparation.

Why - The unmet need to provide a detailed illustrated step-by-step system to painless anal ecstasy. Other books cover a variety of topics but do not do the above, they state "take it slow" but do not define what is "slow." If you go too fast you will hurt your woman, and she will not trust you and most likely not want to try again.

The book was professionally edited by 7 women to take out any unnecessary information. Now read by many thousands of women, it is the information they want men to remember, since it is their pain on the line. Female and couple reviews should carry a lot of weight. Men, if it was your pain on the line, wouldn't you want to make sure your partner remembers what's important. Women state the book delivers if you take the time to read it.

This book is not for guys that just want to scan the content quickly so they can get a woman to have anal sex. If you do not have time to read Chapters 2 to 4 thoroughly, DO NOT buy this book! If you do not read it in detail, do not review it. It is like if someone reviewed your knowledge without taking the time to talk to you. I wrote the book because the content works and will help women not go through a bad experience. **As for reviews promoting other books, I advise give your woman the competing books and this book, then implement the one she selects after she reads the process she will go through in each.**
