Editorial Review

About the Author

JACQUELINE WILSON is an extremely well-known and hugely popular author who served as Children's Laureate from 2005-7. She has been awarded a number of prestigious awards, including the British Children's Book of the Year and the Guardian Children's Fiction Award (for *The Illustrated Mum*), the Smarties Prize and the Children's Book Award (for *Double Act*, for which she was also highly commended for the Carnegie Medal). In 2002 Jacqueline was given an OBE for services to literacy in schools and in 2008 she was appointed a Dame.

NICK SHARRATT has written and illustrated many books for children and won numerous awards for his picture books, including the Sheffield Children's Book Award and the 2001 Children's Book Award. He has also enjoyed great success illustrating Jacqueline Wilson books. Nick lives in Edinburgh.

Users Review

From reader reviews:

Jose Murry:

What do you think about book? It is just for students since they are still students or the idea for all people in the world, what best subject for that? Just simply you can be answered for that issue above. Every person has diverse personality and hobby per other. Don't to be obligated someone or something that they don't want do that. You must know how great as well as important the book Little Stars (Hetty Feather). All type of book would you see on many resources. You can look for the internet resources or other social media.

Steven Parrish:

This book untitled Little Stars (Hetty Feather) to be one of several books in which best seller in this year, honestly, that is because when you read this publication you can get a lot of benefit on it. You will easily to buy this specific book in the book shop or you can order it by using online. The publisher on this book sells the e-book too. It makes you easier to read this book, because you can read this book in your Mobile phone. So there is no reason for you to past this publication from your list.

Clifford Jones:

Your reading sixth sense will not betray a person, why because this Little Stars (Hetty Feather) guide written by well-known writer we are excited for well how to make book which can be understand by anyone who have read the book. Written within good manner for you, still dripping wet every ideas and creating skill only for eliminate your own personal hunger then you still hesitation Little Stars (Hetty Feather) as good book but not only by the cover but also from the content. This is one e-book that can break don't assess book by its handle, so do you still needing one more sixth sense to pick this!? Oh come on your looking at sixth sense already said so why you have to listening to yet another sixth sense.

Douglas Ayer:

Do you like reading a reserve? Confuse to looking for your chosen book? Or your book had been rare? Why so many query for the book? But any kind of people feel that they enjoy with regard to reading. Some people likes looking at, not only science book but in addition novel and Little Stars (Hetty Feather) or others sources were given knowledge for you. After you know how the great a book, you feel wish to read more and more. Science guide was created for teacher or maybe students especially. Those publications are helping them to include their knowledge. In some other case, beside science book, any other book likes Little Stars (Hetty Feather) to make your spare time more colorful. Many types of book like this.
