Live Rich: Everything You Need to Know To Be Your Own Boss By Stephen Pollan, Mark Levine

Money can Buy You Happiness

In *Die Broke* Stephen Pollan introduced a new radical new strategy for spending, saving, and investing money in today's financial market. In *Live Rich*, he now concentrates on the earning side--with the compelling observation that living rich has less to do with net worth and everything to do with *freedom*. You can live the life you want by adhering to the four tenets of the *Live Rich* philosophy:

1. Make Money

Too many of us have been fed the line that "work isn't necessarily about making money." Tell that to Visa next time they send you a bill.

2. Don't Grow, Change

Be ready to change your work paradigm on a moment's notice, to morph from career to career several times as conditions--and you--change.

3. Take Charge

In the twenty-first century, you must become proactive and start taking measured risks.

4. Become a Mercenary

Think for yourself as a free agent, responsible for your own security and always on the lookout for the next great job.

5. Live Rich

With Stephen Pollan's revolutionary workplace ideals, as well as a detailed action plan, you can apply this philosophy to every facet of your life and truly *Live Rich*.
