Review

"Lustfully Ever After is a book of fairytales with a sinful twist. You'll become engrossed in fantasy world of magical, forbidden love. Erotic fairytales that will keep you in a constant state of anticipation, never able to predict what's coming next. You've never heard a batch of fairytales quite like this before!" –Night Owl Reviews

"I love fairy tales and enjoyed reading this book as it took the fairy tale characters that we all know and love and shows us their erotic side. If you are familiar with the original tales I think that you will enjoy *Lustfully Ever After* as much as I did. It is an intriguing look at the darker side of fairy tales." ?Fresh Fiction

"I recommend this to anyone looking for bedtime stories that are more mature than Andersen or the Grimm brothers ever imagined." ?San Francisco Book Review

"I loved this book. The authors spend a lot of details into reinventing the characters. The book was very imaginative. There are some bondage and spanking in the story but all of the characters submit willingly. I thoroughly enjoyed this book, it was a nice erotic break from reality!" ?Kissin Blue Karen

"Every story is wrapped up in erotic elements and twisted from the original just enough to inspire a different grown up fairy tale." ?Paranormal Haven
