**People Over Profit: Break the System, Live with Purpose, Be More Successful** By Dale Partridge

**Serial entrepreneur and business visionary Dale Partridge reveals seven core beliefs that create success by putting people first.**

Every day major headlines tell the story of a new and better American marketplace. Established corporations have begun reevaluating the quality of their products, the ethics of their supply chain, and how they can give back by donating a portion of their profit to meaningful causes. Meanwhile, millions of entrepreneurs who want a more responsible and compassionate marketplace have launched a new breed of socially focused business models.

Seventy founder Dale Partridge uncovers the seven core beliefs shared by consumers, starters, and leaders behind this transformation. These beliefs have enabled Dale to build a multimillion-dollar company that is revolutionizing the marketplace. He believes they are the secret to creating a sustainable world that values honesty over deception, transparency over secrecy, authenticity over hype, and ultimately, people over profit.

From the Author

I believe we're homesick for a version of capitalism we can trust. In my book, I have provided a strong case that companies who value people over profit are actually more profitable. If your heart is calling for a better way, I'm excited to take you on the journey to create the business world we all crave.

**- Dale Partridge**

From the Back Cover

**Critical Question: What if valuing people over profit was actually more profitable?**

As the American marketplace becomes increasingly socially aware, businesses of all sizes are finding that profit-before-people thinking is not only antiquated--it's a liability. Socially responsible business and treating employees well is no longer fringe, no longer novel, and no longer optional.

Dale Partridge, founder of Sevenly, is living proof that new, socially conscious business models are not only imminent but also surprisingly profitable. In *People Over Profit*, he distills years of personal experience and market research into the seven core beliefs shared by consumers, starters, and business leaders who are breaking the old profit-first cycle and crushing it in the marketplace by doing good.

Hopeful and visionary by turns, *People Over Profit* marks a path for creating and sustaining the equitable world that today's consumer demands. This book provides the practical and the real, the what and the how, and the most importantly, the heart required to fuel the new marketplace revolution--the revolution your world, your conscience, and your business need you to join.
