**Teacher TV: Sixty Years of Teachers on Television (Counterpoints)** By Mary M. Dalton, Laura R. Linder

*Teacher TV: Sixty Years of Teachers on Television* examines some of the most influential teacher characters presented on television from the earliest sitcoms to contemporary dramas and comedies. Both topical and chronological, the book follows a general course across decades and focuses on dominant themes and representations, linking some of the most popular shows of the era to larger cultural themes. Some of these include:

- a view of how gender is socially constructed in popular culture and in society
- racial tensions throughout the decades
- educational privileges for elite students
- the mundane and the provocative in teacher depictions on television
- the view of gender and sexual orientation through a new lens
- life in inner-city public schools
- the culture of testing and dropping out

Every pre-service and classroom teacher should read this book. It is also a valuable text for upper-division undergraduate and graduate level courses in media and education as well.
