**The Holy Thief (The Chronicles of Brother Cadfael Book 19) By Ellis Peters**

**Two groups seek refuge from the rain at Brother Cadfael's abbey, bringing with them mystery and mayhem**

In the chill, rainy autumn of 1144, two groups of visitors seek the hospitality of the Abbey of St. Peter and St. Paul, and Brother Cadfael fears trouble has come in with them. Among the first arrivals is Brother Tutilo, a young Benedictine with a guileless face and—to Brother Cadfael's shrewd eyes—a mischievous intelligence. The second group, a ribald French troubadour, his servant, and a girl with the voice of an angel, seems to Brother Cadfael a catalyst for disaster.

All of Cadfael's fears become manifest as rising floodwaters endanger the abbey's most sacred relic, the remains of Saint Winifred. When the bones disappear and a dead body is found, Brother Cadfael knows carnal and spiritual intrigues are afoot. Now, in a world that believes in signs and miracles, Brother Cadfael needs his prayers answered—as well as some heavenly guidance to crucial clues—to catch a killer hell-bent on murder.

## **Editorial Review**

From Publishers Weekly

The 19th Brother Cadfael mystery.

Copyright 1994 Reed Business Information, Inc.

From School Library Journal

YA-- Monks from another abbey and a troubadour and his servants are visiting the abbey in Shrewbury when the bones of St. Winifred, its patron saint, are stolen. Brother Cadfael must locate them before a long-held secret is revealed about them that would be embarrassing for him. Then the murders begin . . . This medieval mystery series continues as Brother Cadfael identifies and pursues each clue in this unusual and entertaining story. Precise words accurately describe the period, and they can usually be understood in context. It will be easy for teens to like the clerical sleuth because of his delightful charm and keen wit. Although religious, he is not sanctimonious.

From Kirkus Reviews

In 1144, the Benedictine Abbey at Shrewsbury, home of herbalist-humanist-sleuth Brother Cadfael (*The Summer of the Danes*, etc.), has extended its hospitality to Brother Herluin and his novice attendant Brother Tutilo--both soliciting help for the ravaged Abbey at Ramsey, many miles away, left in shambles by the marauding forces of the Earl of Essex, now vanquished. Soon, they've collected alms, timber, and some willing workmen. Handsome young Tutilo has also used his beautiful voice to soothe the dying Lady Donata and has attracted the interest of the slave girl singer who's traveling with French troubadour Remy and his servant Benezet. As Tutilo's little band gets ready for the trip back to Ramsey, heavy rains put the Church's treasures in danger. All hands work to move them to higher ground. Only after the Ramsey group has left is it discovered that the reliquary of St. Winifred has disappeared. Its eventual reappearance and the confession of the thief pale next to the dramatic and tragic events that follow. Through it all, to the satisfying finale, Cadfael remains his benign, intuitive, appealing self. The pace sometimes slows to a near standstill; the elegant prose is sometimes excessive--but, for the patient, the reward is finely wrought transport to another time. -- *Copyright ©1993, Kirkus Associates, LP.
