**Working with Words: A Handbook for Media Writers and Editors** By Brian S. Brooks, James L. Pinson, Jean Gaddy Wilson

No matter what the medium, from print to broadcast to digital, *Working with Words* presents the best writing advice for journalists. It is designed to help students gain the grammatical and stylistic skills they need and then serve as a reference throughout their careers. Written by working journalists, with parts devoted to grammar and mechanics as well as journalistic style and writing for different media, it offers coverage the *Associated Press Stylebook* does not — and it's affordably priced at 30-50% less than competing texts. The new edition contains tools that make it even easier to navigate, tackles the unique issues inherent to writing for online media, and offers improved grammar and writing instruction.
