Editorial Review

From the Back Cover

Free one-year access to practice problems online:

- All 1,001 practice problems online —from easy to hard
- Track your progress, see where you need more help, and create customized problem sets
- Study what, where, and when you want
- 1,001 practice problems covering all of the topics in your Basic Math & Pre-Algebra course
- Detailed, step-by-step answers and explanations for every problem

1,001 questions with step-by-step solutions

This handy guide, with free access to online practice problems, gives you 1,001 opportunities to practice solving problems that you'll encounter in your basic math and pre-algebra course. You begin with some basic arithmetic practice, move on to fractions, decimals, and percents, tackle story problems, and finish up with basic algebra. Every practice question includes not only a solution but a step-by-step explanation. Solving problems online, you'll track your progress, see where you need more help, and create customized problem sets to get you where you need to be.

- Start with the basics — arithmetic operations, negative numbers, powers, and square roots
- Divide and conquer — divisibility, remainders, factors, multiples, and prime numbers
- Cut things up — work with and convert fractions, decimals, percents, and ratios
- Get practical — geometry basics, weights and measures, statistics, and charts and graphs
- The x-files — evaluate, simplify, and factor algebraic expressions and solve algebraic equations
- (More) practice makes perfect — use your free one-year subscription for on-the-go access to all 1,001 practice problems online

Go beyond the book. Get online and find:

- One year free subscription to all questions
- On-the-go access any way you want it — from your computer, smartphone, or tablet
- Multiple choice questions on all your math course topics
- Personalized reports that track your progress and help show you where you need to study the most
- Customizable practice sets for self-directed study
- Practice problems categorized as easy, medium, or hard
