**Cristiano Ronaldo: The Biography** By Guillem Balague

**WINNER OF FOOTBALL BOOK OF THE YEAR AT THE CROSS SPORTS BOOK AWARDS 2016**

**CRISTIANO RONALDO** is one of the greatest footballers of all time, yet for all his success on the pitch he has often been a controversial and divisive figure off it.

It was clear from early on that Ronaldo had a prodigious talent. More than that, though, he only ever had one goal in mind. At the age of twelve, he left his humble origins on Madeira behind to travel to the Portuguese mainland in pursuit of his dream to become the best footballer on the planet.

It wasn't long before he had the biggest clubs in Europe knocking on his door, but it was Manchester United who won the race for his signature. Under the tutelage of Sir Alex Ferguson, Ronaldo developed into the complete footballer and athlete, winning three league titles and a Champions League, and cementing his status as a United legend, along the way.

He then became the biggest *galáctico* of them all when he transferred to Real Madrid for a record-breaking fee. However, he has endured a difficult relationship with managers, teammates and the fans - and with only one La Liga title and one Champions League win to his name, his time at the club has often been overshadowed by his fierce rivalry with Barcelona and Lionel Messi.

Guillem Balagué, respected football journalist and expert on the Spanish game, provides the definitive account of what has made Ronaldo the player and man that he is today.
