**Her Fantasy Husband (Things To Do Before You Die Book 2)** By Nina Croft

Security Company CEO Josh Slater put his life on hold when he said “I do” to protect a stranger. While his marriage was never meant to be real—he hasn’t even seen his wife in five years—Josh can’t shake the idea that he’d be cheating if he moves on. Now he’s a man with a mission: chase down his “wife,” get an annulment, and *finally* indulge in a little no-strings sex.

Heiress Alexia Slater entered into a marriage of convenience straight out of high school to gain control of her inheritance before her not-so loving family squandered the whole thing. She doesn’t want the marriage to be real—she’s fought hard for her independence—but that hasn’t stopped her from spending the last five years fantasizing about her gorgeous husband.

Then he shows up.

Josh wants an annulment. Lexi needs to stay married. When the chemistry explodes between them, there’s no stopping the battle of wills only one of them can win...
