Why you need this book:

Sanskrit Mantras have benefited the human race for centuries.

These mantras have great Spiritual and religious power for all human beings.

These Sanskrit Mantras are pure vibration sound representing Goddess Saraswati of Knowledge & Wisdom. Symbolically her four hands represent mind, intelligence, alertness, and the ego.

When evils, injustice and corruption took over the world Shiva opened his third eye to destroy everything. Goddess Saraswati took the stream of fire from Shiva's third eye to the bottom of the ocean and made it dormant to save the universe and warned humanity that Shiva's fire will rise up to burn evil, impure and corrupt again.

Saraswati has saved the world from Kumbhakarna demon also. After a severe penance Kumbhakarna wanted a boon to become the leader of the gods and Lord of heaven i.e. Indraasan. At Brahma's advice, Saraswati twisted his tongue and rather than asking for Indraasan i.e. Seat of Indra, Kumbhakarna uttered Nindraasan i.e. Bed for sleep.

Swami Vivekananda was initially nervous for his speech at the World Parliament of Religions, Chicago, and September 11, 1893. So before his speech he prayed to Saraswati and what came from his mouth is a history. Till date he is best known for that inspiring speech.

It is believed that praying to Saraswati before going for an interview, speech or a performance ensures success. If Saraswati places words on the devotees tongue, then what human being can debate with him?
