B.R.A.G. Medallion Honoree (2015)

Kindle Book Award Nominee for Literary Fiction (Finalist) (2015)

My Name Is Thank-You allows us into the world's of two very different thirteen-year-old girls. Each girl's voice carrying its own unique tone, as they beckon us to follow magically into their lives. One is a joyous story of hope against all odds, the search for acceptance, and the longing for unconditional love; the other a sad tale of unspeakable abuse, constant rejection, and an overwhelming sense of loneliness. Thank-You and Josephine creates around us, a world rich with emotion, one that will leave you inspired, breathless, and yearning for more words.

Deeply meaningful, rich, and quirky, My Name Is Thank-You is a powerful new novel that will etch its way into your mind, and ultimately your heart.

"The dialects and tones of diverse voices always ring true, and draw you relentlessly into a meticulously woven web of heartbreak and joy. Page by page, your anticipation and expectation, never correct, allows you to progress into the amazing story."

-Arnold P. Abbott (Author and Founder of Love Thy Neighbor, Inc.)

Editorial Review

Review

A provocative juxtaposition of society and truth. *My Name is Thank-You* represents a part of humanity not everybody reaches but everybody can. It is a novel of the heart people by the heart people, a source of creative energy that sticks to the senses like tree frogs and hot tears. The authentic characters and dialogue rise off the page and make the reader reconsider family, individuality, love, compassion, perspective and the power of the inside. Secrets lie behind the beautiful voices of children who hold the things we thought we lost until we realized we hadn't lost anything at all. When I read Kaizen Love's work I ate my shadows and then ate them again as if they never existed before.

From the Back Cover

This powerful first novel is heart wrenching, poetically unsettling, and has the potential to brighten our entire outlook on the life we live. *My Name Is Thank-You* meticulously weaves together the lives of two very different thirteen-year-old girls. We follow them into a world of chaos, contrasting continuously from light to dark. To Thank-You, the world is full of promise. Despite being raised an orphan, she carries within her the ability to find the beauty in any situation. To Josephine, the world is a sad and lonely place. Although born into wealth, she is plagued by a life wrought with abuse. We follow their journeys into self-discovery, forgiveness, and ultimately redemption, finding bits and pieces of ourselves along the way and getting a first-hand look at what freedom truly looks like. Their stories are our stories; their voices are our voices, teaching us that no matter the circumstances we may be facing, perspective is everything. This is the kind of story that will have you smiling through your tears and asking yourself, "*How can I become a light?*"
