## Pray While You're Prey: How God Turned My Loneliness and Frustration into Contentment and Commitment By Toni Wortherly

When I was a teenager, my father used to tell me, “Son, you should spend less time chasing after what you want and rejoice in the things in which GOD has already given you.” About dating, he would go on to say, “If you’d slow down from chasing the girl that is running from you, the three GOD has sent you to choose from will run into you from behind!” Now, of course, I was a teenager and knew everything and my dad was an old man that knew nothing...end of discussion.

Author, Toni L. Wortherly, has accurately captured my father’s sentiment in her book entitled “Pray While You’re Prey”.

Pray While You’re Prey is a testimonial of how an intelligent, beautiful and successful woman changed loneliness and frustration into a preparation for the happiness and satisfaction of GOD’s pending blessings. I mention Ms. Wortherly’s attributes because these women are often the ones targeted by men with “less than honorable” intentions. If you think that means it is a sob story that turns from misery to happiness, however, you are sadly mistaken. There are no pleas for sympathy nor tragic, victim stories. Instead, there is a roadmap to change each seemingly negative situation into a positive direction. Nevertheless, it is only a roadmap. The reader must be willing to take the journey.

If you decide to take the journey to happiness, Ms. Wortherly supplies clear-cut road signs at the end of each chapter, asking the reader not to look at their surroundings, but within themselves. Ms. Wortherly teaches that preparing yourself to be a recipient of GOD’s love will allow GOD to send you the perfect candidate for your life. It’s not about “chasing what you want” but “rejoicing in what GOD gives you”. Those who know that GOD only gives you the best in life know that HIS choice is all you need.

Pray While You’re Prey is more than a “how to” book but a printed and bound ministry. Using her legal talents, Toni L. Wortherly builds an intricate case by beginning with the proper foundation, a commitment with GOD. Once she

teaches you to trust in GOD and His will, she shows you that the hunter for your affections will find YOU.

This book is written from a woman's point of view and I believe it would be safe to say that it is meant for women, however, men should not ignore this book. I encourage any single and spiritual person to read the book, not just women. Ms. Wortherly gives away some of the scandalous tactics of "less than honorable" women, allowing men not to fall victim of a situation in which GOD does not intend for them.

Pray While You're Prey is a wonderful book that should be read by any single person searching for a life companion in Christ. I would also nominate this work as an excellent book for any church that sponsors a single's ministry. This book is not just based on Ms. Wortherly's insights, but rooted deeply in scripture. This makes it ideal for group discussion.
