Queen of Shadows (Throne of Glass series) By Sarah J. Maas

Sarah J. Maas's New York Times bestselling Throne of Glass series reaches new heights in this sweeping fourth volume.

Everyone Celaena Sardothien loves has been taken from her. But she's at last returned to the empire-for vengeance, to rescue her once-glorious kingdom, and to confront the shadows of her past...

She has embraced her identity as Aelin Galathynius, Queen of Terrasen. But before she can reclaim her throne, she must fight.

She will fight for her cousin, a warrior prepared to die just to see her again. She will fight for her friend, a young man trapped in an unspeakable prison. And she will fight for her people, enslaved to a brutal king and awaiting their lost queen's triumphant return.

Celaena's epic journey has captured the hearts and imaginations of millions across the globe. This fourth volume will hold readers rapt as Celaena's story builds to a passionate, agonizing crescendo that might just shatter her world.

Editorial Review

From School Library Journal

Gr 10 Up—Picking up where *Heir of Fire* (Bloomsbury, 2014) left off, this work follows Aelin as she returns to Adarlan to rescue her cousin from execution, free Prince Dorian from the Valg demon inside of him, and kill the King of Adarlan to set her people free. Told from many different viewpoints, this highly anticipated installment of the series will live up to every one of fans' expectations. Strong, clever, and resilient, Aelin expertly manages to rescue her cousin from the castle with minimal casualties. Then, with the help of her loyal friends and the Fae Prince Rowan, they devise a plan to destroy one of the king's towers to free magic and take back their powers so they can assassinate the evil King of Adarlan. Meanwhile, Manon, the Wing Leader of the Blackbeak witch coven, struggles with her grandmother's order to select a coven of witches to breed with Valg demons to please the mortal Duke. Aelin and Manon cross paths in surprising ways, and everything comes together in one thrilling and high-stakes climax that will leave readers on the edge of their seats. With a full cast of three-dimensional characters and a slew of emotionally riveting scenes and shocking realizations, readers will be daydreaming about this book long after it's over. **VERDICT** Beautifully written prose and brilliantly crafted plots come together in this entry of the awe-inspiring fantasy series that will leave readers anticipating the next volume.—Candyce Pruitt-Goddard, Sno-Isle Libraries, Marysville, WA

Review

Character motivations and interactions. . . are always nuanced and on point, especially as Aelin's growing maturity offers her new perspectives on old acquaintances. . . Impossible to put down. (*Kirkus Reviews*)

Fans of the high-fantasy series likely won't mind the protracted story at all, packed as it is with brooding glances, simmering sexual tension, twisty plot turns, lush world building, and snarky banter. . . The final chapters of this installment promise more epic adventures and badder bad guys to defeat in forthcoming volumes. (*Booklist*)
