## The Private Lives of the Sun Signs By Katharine Merlin

For more than twenty years, astrologer Katharine Merlin has penned monthly horoscopes for *Town&Country* magazine, producing once of the magazine's most widely-read and beloved columns and now the most visited site on the Hearst corporate website for each of its 16 magazines. In *The Private Lives of the Sun Signs*, Merlin presents in-depth analyses of each of the twelve zodiac signs - from Aries to Pisces - illustrating their unique characteristics with astonishing accuracy. Drawing upon wisdom gleaned over the course of her forty-year career in astrology, Merlin provides invaluable insight into the idiosyncrasies of each sign - the way they process emotions, communicate, find motivation, relate to others, and more.

Through Merlin's illuminating descriptions, we come to understand our inner selves more deeply - the way we think, work, love, what makes us tick - and learn to harness the potential of our own unique gifts. And, by familiarising ourselves with the signs of friends and partners, we develop tolerance and appreciation for their distinctive qualities, finding ways that different signs can complement each other and allowing our relationships to blossom.

Full of illuminating anecdotes, *The Private Lives of the Sun Signs* offers a fascinating and comprehensive look into the inner workings of the zodiac signs, proving that this ancient science continues to offer invaluable guidance to a contemporary audience.

### Editorial Review

#### Review

A roundup of celestial insight on the body, mind, and spirit, Merlin's book is every horoscope readers dream. Taking what's written in the stars one step further, this new work perfectly intertwines astrology and human behavior with an eloquence reflective of the stars themselves. (Logan Sykes *Town & Country*, April 9, 2015)

What's great about Merlin's approach to astrology is that she isn't concerned with letting your zodiac sign define who you are, but instead uses it to provide perspective and offer a point of comparison that sparks self-reflection. (Annie Coreno *Publishers Weekly*, October 16, 2015)
