### Editorial Review

#### Review

This comprehensive book, infused by an attitude of welcome and understanding, will be useful to those who think of becoming Jewish, and to their families on both sides. One of my students said this was the most helpful guidebook for the would-be convert yet. (Rabbi Rachel Cowan, The Nathan Cummings Foundation)

Though Jews are frequently referred to as 'the people of the book,' there are in fact very few books that one could read that would help a person become a part of the Jewish people if he or she was not born of it. In an age of the 'user-friendly' guide to virtually all interests and endeavors, Professor Epstein has performed a holy service in producing a 'user-friendly' guide to modern Judaism, making entrée into it readily available to all who might be interested. (Dr. Egon Mayer, Jewish Outreach Institute)

It should serve well, and represents a good motivational tool without in any way 'preaching' or utilizing devices that are meant to wheedle. Its forthright approach is one of its greatest assets..... (Dr. Morton K. Siegel, The United synagogue of Conservative Judaism)

Down-to-earth and accessible, this guide will be useful for those looking for a thorough yet brief introduction to Judaism and the path toward conversion. (Rabbi Alexander M. Schindler, Union of American Hebrew Congregations)

It should serve well, and represents a good motivational tool without in any way 'preaching' or utilizing devices that are meant to wheedle. Its forthright approach is one of its greatest assets. (Dr. Morton K. Siegel, The United synagogue of Conservative Judaism)

#### About the Author

### Users Review

#### From reader reviews:

##### **Evelina Lewis:**

Can you one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Aim to pick one book that you find out the inside because don't judge book by its handle may doesn't work the following is difficult job because you are afraid that the inside maybe not because fantastic as in the outside look likes. Maybe you answer may be Conversion to Judaism: A Guidebook why because the great cover that make you consider about the content will not disappoint you actually. The inside or content is definitely fantastic as the outside or cover. Your reading 6th sense will directly guide you to pick up this book.

**James Anderson:**

In this time globalization it is important to someone to obtain information. The information will make a professional understand the condition of the world. The health of the world makes the information better to share. You can find a lot of recommendations to get information example: internet, classifieds, book, and soon. You can see that now, a lot of publisher that will print many kinds of book. The actual book that recommended to you is Conversion to Judaism: A Guidebook this reserve consist a lot of the information on the condition of this world now. That book was represented how do the world has grown up. The vocabulary styles that writer use to explain it is easy to understand. The particular writer made some investigation when he makes this book. Honestly, that is why this book ideal all of you.

**Laura Thibodeau:**

Is it a person who having spare time and then spend it whole day by watching television programs or just lying down on the bed? Do you need something new? This Conversion to Judaism: A Guidebook can be the response, oh how comes? A book you know. You are therefore out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these textbooks have than the others?

**Jane Rippeon:**

As we know that book is significant thing to add our expertise for everything. By a book we can know everything we want. A book is a group of written, printed, illustrated or perhaps blank sheet. Every year was exactly added. This e-book Conversion to Judaism: A Guidebook was filled regarding science. Spend your extra time to add your knowledge about your research competence. Some people has distinct feel when they reading the book. If you know how big benefit of a book, you can feel enjoy to read a publication. In the modern era like now, many ways to get book you wanted.
