Gypsy Lord: The Lord's Trilogy By Kat Martin

He was Dominic Edgemont, Lord Nightwyck, heir to the Marquis of Gravenwold. But he was also a dark-eyed, half-gypsy bastard....

When tall, handsome Dominic sees one of his Romany band whipping a beautiful, flame-haired captive, he never dreams she is a pampered heiress stolen from the English court. To have her, he will pay a king's ransom and make himself her lord.

Lovely Catrina forbids Dominic her bed, but her fiery temper is no match for his cool determination to take her as his lover. Still, in this novel from Kat Martin, she will not be passion's slave forever. She and her Gypsy Lord will meet again—in a glittering London setting, far from the rustic tent they shared. Will her desire for revenge overwhelm her natural urge to love?

Editorial Review

From Publishers Weekly

Dominic Edgemont's reputation in late Georgian British society is rather tarnished: aside from rumors of womanizing, he's said to be part gypsy--a rumor that Catherine Barrington, Countess of Arondale, discovers to be true after she is kidnapped by scheming relatives, passed from hand to hand and finally bought by Dominic who is visiting the gypsy band where he was raised. A clash of wills follows as Dominic tries to seduce Catherine out of the virginity she has so far managed to preserve; as fate would have it, the two, not surprisingly, fall in love and he succeeds. Martin's tale is a good one with some reservations, one being an unnecessary scene in which Catherine provokes Dominic into beating her to the delight of the gypsy camp. Early on, Martin is careless with certain genre conventions almost to the point of comedy: Edgemont's title (Lord Nightwyck, heir to the Marquess of Gravenwold) overhints at the diabolical and Martin's description of Catherine as an atypical beauty--with "eyes . . . a little too large and a little too green, and her lips were a little too full"--makes one wonder at the era's ideal. Although well-intentioned, Martin (*Captain's Bride*) also sometimes buys into stereotypes about gypsies.

About the Author

Currently living in Missoula, Montana, Kat Martin is the bestselling author of over fifty Historical and Contemporary Romance novels. Before she started writing in 1985, Kat was a real estate broker. During that time, she met her husband, Larry Jay Martin, also an author. Kat is a graduate of the University of California at Santa Barbara, where she majored in Anthropology and also studied History. "I love anything old," Kat says. "I love to travel and especially like to visit the places where my books are set. My husband and I often stay in out-of-the-way inns and houses built in times past. It's fun and it gives a wonderful sense of a by-gone era."

To date, Kat has over twelve million copies of her books in print. She is published in twenty foreign countries, including Germany, Norway, Sweden, China, Korea, Bulgaria, Russia, England, South Africa, Italy, Spain, Argentina, Japan and Greece.
