Editorial Review

Review

This book has turned out to be a gem of a text. Not only does it cover wholly relevant, informative and engaging topics but everything is complimented with a comprehensive web based resource package. Students can access pertinent journal articles, watch video shorts and listen to pod casts throughout each chapter that all help to contextualise the material. Instructors can also access comprehensive summaries of each chapter. The author succinctly but engagingly covers the theoretical development of the discipline and then applies theory to a comprehensive range of criminal issues including Corporate, Political and cyber crimes. I have adopted this book as the core text for my HNC Social Science students and I whole heartedly recommend it for HNC and Degree level study.

(Lucy Huby 2013-07-17)

About the Author

Frank E. Hagan is a native of the North Side of Pittsburgh and has earned degrees at Gannon, Maryland and Case Western Reserve. He is the Director of the James V. Kinnane Graduate Program in Administration of Justice and is the author of eight books. These are *Deviance and the Family* (with Marvin B. Sussman), *Introduction to Criminology* (7th edition), *Crime Types and Criminals*, *Research Methods in Criminal Justice and Criminology* (8th edition), *Essentials of Research Methods in Criminal Justice*, *Political Crime*, *White Collar Deviance* (with David Simon), and *The Language of Research* (with Pamela Tontodonato).

He is also the author or coauthor of many journal articles and articles in edited volumes. Hagan is a recipient of the Academy of Criminal Justice Sciences Fellow Award (2000), and awarded the Teacher's Excellence Award by Mercyhurst College in 2006. His major interests are research methods, criminology and organized crime, white collar crime and terrorism.

Users Review

From reader reviews:

Debra Jones:

In this 21st one hundred year, people become competitive in most way. By being competitive currently, people have to do something to make these survive, being in the middle of often the crowded place and notice by surrounding. One thing that oftentimes many people have underestimated this for a while is reading. Yes, by reading a book your ability to survive enhance then having chance to remain than other is high. For yourself who want to start reading the book, we give you this specific Introduction to Criminology: Theories, Methods, and Criminal Behavior book as starter and daily reading e-book. Why, because this book is greater than just a book.

Christopher Hannah:

The book entitled Introduction to Criminology: Theories, Methods, and Criminal Behavior contain a lot of information on the idea. The writer explains the idea with easy approach. The language is very simple to

implement all the people, so do not really worry, you can easy to read it. The book was compiled by famous author. The author brings you in the new time of literary works. Fanny Rutledge:

This Introduction to Criminology: Theories, Methods, and Criminal Behavior is completely new way for you who has intense curiosity to look for some information given it relief your hunger info. Getting deeper you on it getting knowledge more you know or else you who still having little digest in reading this Introduction to Criminology: Theories, Methods, and Criminal Behavior can be the light food for you personally because the information inside that book is easy to get by simply anyone. These books build itself in the form which can be reachable by anyone, yes I mean in the e-book contact form. People who think that in publication form make them feel drowsy even dizzy this e-book is the answer. So there is not any in reading a publication especially this one. You can find actually looking for. It should be here for a person. So , don't miss it! Just read this e-book sort for your better life and also knowledge.

John Edwards:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library or make summary for some guide, they are complained. Just small students that has reading's spirit or real their interest. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Introduction to Criminology: Theories, Methods, and Criminal Behavior can make you feel more interested to read.
