Obama, Hillary, Saul Alinsky and Their Useful Idiots By Will Clark

America, the greatest country that's ever existed to recognize and protect humanity and to encourage freedom and opportunity, is now in grave danger to maintain those wonderful gifts for mankind. Our wonderful nation is now under attack by fierce zealots who can't tolerate the ideas, opportunities, and freedom of aspirations America allows and supports. We are now on a dangerous precipice. One of these three assaults is from direct confrontation by radical Islamic Jihadists who proclaim, promise, and boast they will destroy us and our way of life; especially our Christian way of life. Their whole being is to control the world and they don't keep their intentions or their goals secret. It's a blatant military and terrorist attack. America is the 'Great Satan' they must destroy to fulfill their religious and zealous mission. The other two assaults are not direct or open. They are subtle and insidious, and are guided by deception. And, presently no one is combating their insidious and sneaky encroachment on our accepted American way of life. The leaders and encroachers have been free to spout their evil and their harmful designs without resistance. One encroachment is from the Muslim Brotherhood. They even have a written plan to replace American freedoms with their dogmatic religion through a process they call 'Settlement.' With the support of Barack Obama and others within our government they are far advanced in accomplishing that plan. The other assault is from a socialist-communist agenda outlined by Saul Alinsky; and is being accomplished through his 'Rules for Radicals' program. Barack Obama was once a teacher of the Alinsky principles. In her early years, Hillary Clinton also corresponded with Alinsky and praised his radical programs. This book defines all these assaults. It also defines those who are used in these attacks on America; 'Useful Idiots, Useful Innocents, and Useful Fools.'
