Obstruction By Nick Salvato

Can a bout of laziness or a digressive spell actually open up paths to creativity and unexpected insights? In *Obstruction* Nick Salvato suggests that for those engaged in scholarly pursuits laziness, digressiveness, and related experiences can be paradoxically generative. Rather than being dismissed as hindrances, these obstructions are to be embraced, clung to, and reoriented. Analyzing an eclectic range of texts and figures, from the Greek Cynics and Denis Diderot to Dean Martin and the Web series *Drunk History*, Salvato finds value in five obstructions: embarrassment, laziness, slowness, cynicism, and digressiveness. Whether listening to Tori Amos's music as a way to think about embarrassment, linking the MTV series *Daria* to using cynicism to negotiate higher education's corporatized climate, or examining the affect of slowness in Kelly Reichardt's films, Salvato expands our conceptions of each obstruction and shows ways to transform them into useful provocations. With a unique, literary, and self-reflexive voice, Salvato demonstrates the importance of these debased obstructions and shows how they may support alternative modes of intellectual activity. In doing so, he impels us to rethink the very meanings of thinking, work, and value.

Editorial Review

Review

"Joining gorgeous readings to new critical vocabularies and startling insights, *Obstruction* rewards the close and slow reader. And like the work of Eve Kosofsky Sedgwick or Lauren Berlant, José Esteban Muñoz or Lee Edelman, it creates paradigms that, once absorbed, become difficult to think without."

(Jack Halberstam, author of *The Queer Art of Failure*)

"Offering a capacious analysis of the familiar blocks to creative and critical productivity, Nick Salvato models a cutting-edge criticism that remains alert to the significance of language and the ruse of intentionality. *Obstruction* is a provocative work and a pioneering venture in modeling a critical reading practice of the present."

(Tavia Nyong'o, author of *The Amalgamation Waltz: Race, Performance, and the Ruses of Memory*)

About the Author

Nick Salvato is Associate Professor and Chair of Performing and Media Arts at Cornell University and the author of *Uncloseting Drama: American Modernism and Queer Performance*.

Users Review

From reader reviews:

Erik Herrera:

Book is definitely written, printed, or descriptive for everything. You can understand everything you want by a reserve. Book has a different type. To be sure that book is important issue to bring us around the world. Next to that you can your reading expertise was fluently. A publication *Obstruction* will make you to possibly be smarter. You can feel far more confidence if you can know about anything. But some of you think that open or reading a new book make you bored. It is not make you fun. Why they could be thought like that? Have you trying to find best book or suited book with you?

Sheila Cyr:

Nowadays reading books become more than want or need but also work as a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book which improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want have more knowledge just go with education books but if you want really feel happy read one together with theme for entertaining for instance comic or novel. The particular *Obstruction* is kind of guide which is giving the reader unpredictable experience.

Edwin Dulac:

This Obstruction are generally reliable for you who want to be considered a successful person, why. The main reason of this Obstruction can be one of several great books you must have is usually giving you more than just simple examining food but feed a person with information that might be will shock your previous knowledge. This book is actually handy, you can bring it everywhere and whenever your conditions throughout the e-book and printed people. Beside that this Obstruction forcing you to have an enormous of experience including rich vocabulary, giving you demo of critical thinking that we all know it useful in your day task. So , let's have it appreciate reading.

Luis Poole:

Reading a e-book make you to get more knowledge as a result. You can take knowledge and information from a book. Book is composed or printed or illustrated from each source that will filled update of news. Within this modern era like at this point, many ways to get information are available for anyone. From media social such as newspaper, magazines, science guide, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Isn't it time to spend your spare time to open your book? Or just in search of the Obstruction when you required it?
