**Onyx (A Lux Novel Book 2) By Jennifer L. Armentrout**

*Book Two of the bestselling Lux series*

*Being connected to Daemon Black sucks...*

Thanks to his alien mojo, Daemon's determined to prove what he feels for me is more than a product of our bizarro connection. So I've sworn him off, even though he's running more hot than cold these days. But we've got bigger problems.

*Something worse than the Arum has come to town...*

The Department of Defense is here. If they ever find out what Daemon can do and that we're linked, I'm a goner. So is he. And there's this new boy in school who's got a secret of his own. He knows what's happened to me and he can help, but to do so, I have to lie to Daemon and stay away from him. Like that's possible. Against all common sense, I'm falling for Daemon. Hard.

*But then everything changes...*

I've seen someone who shouldn't be alive. And I have to tell Daemon, even though I know he's never going to stop searching until he gets the truth. What happened to his brother? Who betrayed him? And what does the DOD want from them—from me?

*No one is who they seem. And not everyone will survive the lies...*
