### **Perspectives on Philosophy of Science in Nursing: An Historical and Contemporary Anthology** From Brand: Lippincott

*This book helps you provide a well-rounded doctoral curriculum.* The philosophy of science is essential to the core of doctoral study in nursing. This text presents historical and contemporary thinking on this significant subject. Readers will find a wealth of information from a variety of philosophers and conceptualizers of Western science. The text's approach stimulates analysis and reflection for enhanced learning. Coverage straddles the balance between nurse and non-nurse philosophers with discussion and reflective questions, and includes thoughts about nursing as a science and an art. Students will learn to recognize the connection between an *understanding of philosophic inquiry* and scientific investigation -- or *research* -- in nursing.
