Jack "flips" back and forth between worlds during his journey, finding his way through and past representatives of good and evil in both. From the Inside Flap

On a brisk autumn day, a thirteen-year-old boy stands on the shores of the gray Atlantic, near a silent amusement park and a fading ocean resort called the Alhambra. The past has driven Jack Sawyer here: his father is gone, his mother is dying, and the world no longer makes sense. But for Jack everything is about to change. For he has been chosen to make a journey back across America—and into another realm.

One of the most influential and heralded works of fantasy ever written, *The Talisman* is an extraordinary novel of loyalty, awakening, terror, and mystery. Jack Sawyer, on a desperate quest to save his mother's life, must search for a prize across an epic landscape of innocents and monsters, of incredible dangers and even more incredible truths. The prize is essential, but the journey means even more. *Let the quest begin. . . .*
