From the Inside Flap

Josh DiPietro started day trading like many people. He attended a free seminar, opened a traditional online trading account through a prominent pay-per-trade broker, and started trading. He bought all the books and attended expensive seminars. At the end of his first year, his extensive losses forced him to sell his house. Now, after 16 years of not giving up and acquiring pro-trader status, he has his profitable Fusion Trading system. *Day Trading Stocks the Wall Street Way* is his answer for aspiring traders looking for a reliable way to learn to trade like the pros—for consistent profits and attainable riches.

Only after Josh shared the trading floor with professional traders near Wall Street did he see the value of routine, patience, and unfaltering dedication to the principles that became his Golden Rules. This enlightening guide is your key to entering the world of day trading with the support of a serious mentor committed to seeing his students succeed. Through specialized coverage developed over many years of educating aspiring traders, he enables you to take your place at the side of a long-time pro trader and look at screenshots of his own trading room while he explains what he's doing and how he's doing it. You can start right away using virtual assets to develop the skills to:

- Master the strategies and methodologies of intra-day and swing trading
- Execute Josh's proprietary Fusion Trading system, with a firm grasp of how the intra-day rules and strategies combine with his swing trading system
- Maximize profits and mitigate losses with advanced tactics like using stop/loss at market close, sidelining, and altering your overall strategy during earnings releases

The perfect primer to jumpstart you on Josh's exclusive online training course, *Day Trading Stocks the Wall Street Way* fully initiates you into the world of professional day trading and prepares you to take your share of the profits.

From the Back Cover

"*Day Trading Stocks the Wall Street Way* is all about Countertrend Trading. Josh DiPietro explains that concept in great detail—not just for intraday trading, but also for swing trading and a combination of both, called fusion trading. However, countertrend trading certainly is not for the faint of heart. One of the main traits you'll need is to not get scared when in the red while waiting for profit target to hit."

—Marko Gränitz, TRADERS' Magazine
