Frost Line By Linda Howard, Linda Jones

Lenna is Strength, a manifestation of the Tarot card, and powerful beyond reckoning. But when she's pulled into the human realm and tasked with protecting a young boy, everything is thrown into chaos. Lenna's not supposed to be here, interacting with mortals. She's definitely not supposed to be drawn to the sexy mercenary sent to retrieve her by any means necessary . . .

As a Hunter for magical beings, Caine's duty is simple: return this compelling, impossibly attractive woman and secure the long lost Tarot deck that made travel between worlds possible. Instead he's drawn into Lenna's dangerous rescue mission and blindsided by his growing feelings. But there is more than one enemy to contend with. And as the clock runs out, failure means not just the loss of an innocent life and the woman Caine has come to love, but the destruction of Lenna's entire world.

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's soul or real their hobby. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Frost Line can make you sense more interested to read.
