### Editorial Review

#### Review

As an English professor, I adopted *Global Issues* for my Honors writing class on the recommendation of a colleague in International Relations. It gave my first-year students plenty to think about balanced analyses of important concerns, as well as a level of complexity that woke them up to college-level expectations. I used the book again the following year, again with satisfaction; and I look forward to using an e-book of selected chapters this fall in my Honors capstone course, *Problems in the Modern World*, to provoke more sophisticated discussions and original research. --Jay Paul, Christopher Newport University

*Global Issues* is a tremendous asset to any course on government and world affairs. Complex issues are presented in such a manner that students are eager and able to absorb the information effectively. Students become truly engaged in current issues and appreciate the analysis of these issues from multiple angles. This book is a must-have for any course with a focus on world affairs. --Mary Anderson, University of Tampa

#### About the Author

**CQ Researcher** is the choice of librarians, researchers, and students seeking original, comprehensive reporting and analysis on the most vital issues shaping our world. Each weekly report offers in-depth, unbiased coverage of a single topic. Written by CQ Press's staff of experienced reporters, these reports provide up-to-date information on a wide range of social, economic, political, environmental, and international issues.

### Users Review

#### From reader reviews:

##### Manuel Jett:

What do you think about book? It is just for students because they're still students or this for all people in the world, what the best subject for that? Merely you can be answered for that query above. Every person has different personality and hobby for every single other. Don't to be forced someone or something that they don't want do that. You must know how great and also important the book *Global Issues: Selections from CQ Researcher (2015 Edition)*. All type of book are you able to see on many resources. You can look for the internet sources or other social media.

##### Gary Lane:

Nowadays reading books become more and more than want or need but also be a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book which improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want send more knowledge just go with training books but if you want truly feel happy read one together with theme for entertaining for instance comic or novel. The particular *Global Issues: Selections from CQ Researcher (2015 Edition)* is kind of guide which is giving the

reader capricious experience.

**Melvin Groth:**
