Human Rights in International Relations, 3rd Edition (Themes in International Relations) By David P. Forsythe

This third edition of David P. Forsythe's successful textbook provides an authoritative overview of the place of human rights in an age of upheaval in international politics. Human rights standards are examined at the global, regional and national levels, with separate chapters on transnational corporations and advocacy groups. The third edition has been completely updated to include the latest developments on terrorism and counter-terrorism, pro-democracy protests in the Middle East, disputed elections in developing countries, criminal courts and truth commissions, and applications of the laws of war. New sections have been added on subjects such as women's rights and new case studies have been added in each chapter which show how specific rights fare in contemporary political contexts. Containing chapter-by-chapter guides to further reading and discussion questions, this book will be of interest to all students of human rights and their teachers.

Editorial Review

Review

'The idea of human rights is so powerful that those who would violate it in the privacy of their torture chambers are compelled to swear fealty to it in global public discourse. David Forsythe draws our attention to the tension between personal rights and the workings of the interstate system in a world in which the human rights norm, including international humanitarian law, is ever more firmly established yet actual protections have come under growing stress in practice. The resilience of the norm has contributed to changes in the nature of state sovereignty. In this third edition of a well-regarded and well-established textbook, Forsythe continues his mission to clarify and update via an impressive, illuminating and engaging analysis of one of the most powerful political impulses of the contemporary era.' Ramesh Thakur, Australian National University

'The third edition of David Forsythe's Human Rights in International Relations maintains his reputation for excellence. I have found the first two editions to be essential teaching texts, very popular with my students, without which I could not cover the entire range of topics necessary in a comprehensive political science course on human rights. This edition brings students right up to date, with analysis of such events as the Arab spring and the Obama administration's actions with regard to Guantanamo Bay.' Rhoda E. Howard-Hassmann, Wilfrid Laurier University

About the Author

David Forsythe is Professor Emeritus of Political Science at the University of Nebraska, Lincoln. He has been a visiting professor at universities in Geneva and Utrecht and in 2008 he held the Fulbright Distinguished Research Chair of Human Rights and International Studies at the Danish Institute of International Studies, Copenhagen. He has also been on staff for the United Nations University in Tokyo and has been a consultant to both the UN Office of the High Commissioner of Refugees and the International Red Cross and Red Crescent Movement.

Users Review

From reader reviews:

Linda Poteat:

Here thing why this particular Human Rights in International Relations, 3rd Edition (Themes in International Relations) are different and reputable to be yours. First of all looking at a book is good nonetheless it depends in the content of computer which is the content is as scrumptious as food or not. Phillip Herzog:

You may spend your free time to learn this book this book. This Human Rights in International Relations, 3rd Edition (Themes in International Relations) is simple to bring you can read it in the park your car, in the beach, train along with soon. If you did not get much space to bring often the printed book, you can buy the actual e-book. It is make you better to read it. You can save the particular book in your smart phone. So there are a lot of benefits that you will get when you buy this book.

Jesse Mansell:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Human Rights in International Relations, 3rd Edition (Themes in International Relations) can make you really feel more interested to read.
