**KJV Cameo Reference with Apocrypha Black Calfskin KJ455:XRA** From Cambridge University Press

The Cameo Bible is one of the classic Cambridge editions of the King James Bible, dating from the 1920s. The Bible text is set in an attractive historic typeface and is printed large enough to be clear and easy to read while small enough to result in a compact Bible. The Bible has pronunciation marks for difficult words and phrases, full cross-references, a concordance, and maps. This edition includes the Apocrypha. It is one of the very few modern editions of the King James Version to do so. It is printed on India paper with art-gilt edges and is bound in black calfskin leather.
