### Megan Meade's Guide to the McGowan Boys By Kate Brian

When she was nine, Megan Meade met a group of terrible, mean, Popsicle-goo-covered boys, the sons of her father's friend -- the McGowan boys. Now, seven years later, Megan's army doctor parents are shipping off to Korea and Megan is being sent to live with the little monsters, who are older now and quite different than she remembered them.

Living in a house with seven boys will give Megan, who has never even been kissed, the perfect opportunity to learn everything there is to know about boys. And she'll send all her notes to her best friend, Tracy, in...

#### *Megan Meade's Guide to the McGowan Boys*

Observation #1: Being an army brat sucks. Except that this is definitely a better alternative to moving to Korea.

Observation #2: Forget evil, laughing, little monsters. These guys have been touched by the Abercrombie gods. They are a blur of toned, suntanned perfection.

Observation #3: I need a lock on my door. STAT.

Observation #4: Three words: six-pack abs.

Observation #5: Do not even get me started on the state of the bathroom. I'm thinking of calling in a hazmat team. Seriously.

Observation #6: These boys know how to make enemies. Big time.

Megan Meade will have to juggle a new school, a new family, a new crush -- on the boy next door, as in next bedroom door -- and a new life. Will she survive the McGowan boys?

### Editorial Review

#### From School Library Journal

Grade 7-10—Megan Meade, 16, is a soccer star whose parents are military lifers. When her mother and father are again stationed overseas, she decides to stay with family friends in Boston. She is immediately overwhelmed by the seven McGowan boys, each of whom embodies a stereotype, e.g., genius, jock, rebel, etc. Shockingly, Megan falls for Evan, Mr. Popular. Also shockingly, Evan has a mean girl girlfriend, Hailey, who is trying to make Megan's life miserable. Will Megan become the team's starter? Will Evan fall for her charms? Will readers care? The answers to these questions are pretty obvious. The book is just average with stock characters, pedestrian writing, and a plot that teens have read a million times. Only the most undiscriminating romantic-comedy readers will be interested.—Amy Patrick, *New York Public Library*

#### From Booklist

Gr. 8-11. Army brat Megan Meade does not want to leave the States to follow her parents to South Korea, so, she agrees to stay with the McGowan family, where she will be the only girl among seven sons. Naturally, this causes more than a little disruption: she's accused of hooking up with Evan, makes an enemy of Doug, and falls for Finn. Brian's well-rounded story hits some interesting notes, including Megan's efforts to make friends with Miller, Doug's twin, who has Asperger's syndrome. A few situations are stock (jealously, sibling rivalry), but strong characterizations lift this above formula. Some realistic language (read swear words), and a scene (not explicitly portrayed) in which drunken Doug sleeps with Evan's girlfriend, may give some pause, but fans of Brian's *The V Club* (2004) will want to read this. Ilene Cooper

#### About the Author

**Kate Brian** is the author of the NY Times and USA Today best-selling *Private* series and its spin-off series, *Privilege*. She has also written many other books for teens including *Sweet 16* and *Megan Meade's Guide to the McGowan Boys*.

### Users Review

#### From reader reviews:

##### Colby Tapia:

What do you ponder on book? It is just for students because they're still students or the item for all people in the world, what best subject for that? Simply you can be answered for that query above. Every person has different personality and hobby for each and every other. Don't to be forced someone or something that they don't would like do that. You must know how great along with important the book Megan Meade's Guide to the McGowan Boys. All type of book would you see on many solutions. You can look for the internet options or other social media.

##### Matthew Seifert:

Book is to be different for each and every grade. Book for children until eventually adult are different content. To be sure that book is very important for us. The book Megan Meade's Guide to the McGowan

Boys ended up being making you to know about other understanding and of course you can take more information. It is extremely advantages for you. The e-book Megan Meade's Guide to the McGowan Boys is not only giving you much more new information but also for being your friend when you experience bored. You can spend your spend time to read your book. Try to make relationship with all the book Megan Meade's Guide to the McGowan Boys. You never truly feel lose out for everything in case you read some books.

**Brandy Anderson:**

This Megan Meade's Guide to the McGowan Boys is great publication for you because the content and that is full of information for you who always deal with world and also have to make decision every minute. This book reveal it facts accurately using great manage word or we can claim no rambling sentences included. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but challenging core information with attractive delivering sentences. Having Megan Meade's Guide to the McGowan Boys in your hand like keeping the world in your arm, information in it is not ridiculous a single. We can say that no e-book that offer you world in ten or fifteen minute right but this publication already do that. So , it is good reading book. Heya Mr. and Mrs. stressful do you still doubt in which?

**John Cotton:**

Is it anyone who having spare time in that case spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something totally new? This Megan Meade's Guide to the McGowan Boys can be the solution, oh how comes? A fresh book you know. You are and so out of date, spending your extra time by reading in this brand-new era is common not a nerd activity. So what these guides have than the others?
