The Venus Return: Predictive Astrology for Love & Enjoyment By Justine S Canyon

The Venus Return is calculated for the exact moment in time, every 9 to 18 months, that Venus returns to the same position it was in at the moment of your birth. This remarkably revealing astrological forecasting technique can be used to characterize what's in store for you regarding social events, business partnerships, happiness, enjoyment, romance, and your love life. The Venus Return can be used to answer questions like:

- Will I find happiness this year?
- Is a new romantic relationship on its way?
- Could this be my soul mate?

This short guidebook is the result of seven years of research and investigation exploring over 100 Venus Return periods - and the events that happened within. Find out what the future holds for your love and enjoyment.
