## Continuity With Change: Planning for the Conservation of Man-Made Heritage By Mark Fram

"[Continuity with Change] seeks to document and demonstrate that middle positions between **Change and Continuity** are possible and desirable." — Canadian Architect

"[Continuity with Change] is well produced with a large number of good photographs, maps, and drawings ... obviously designed for a wide audience of planners and others active in heritage conservation." — The Journal of the Society for Industrial Archeology

"[Continuity with Change] deserves a spot in the library of any professional who works regularly with older buildings and their surroundings." — Plan Canada
