Destined for Doon By Carey Corp, Lorie Langdon

In this sequel to *Doon*, Mackenna Reid realizes she made a horrible mistake in choosing to follow her dreams of Broadway instead of staying in the enchanted land of Doon. To make everything worse, she's received her Calling—proof she and Duncan are each other's one true love—and it's pure torment, especially when visions of the very alluring Scottish prince appear right before she goes on stage. So when Duncan tells her an ancient curse threatens to overtake Doon and the new queen and Kenna's best friend, Veronica, needs her to return, Kenna doesn't have to think twice. With darkness closing in on all sides, Kenna and Vee must battle a world of nightmares in order to protect the kingdom. But it will take the ultimate test of courage for Kenna to salvage her happily ever after.
