F this Test: Even More of the Very Best Totally Wrong Test Answers By Richard Benson

From the same hilarious wellspring of failure as the bestselling *F in Exams* and *F for Effort* comes this all-new collection of inventively wrong—yet totally real—test responses by students who don't know the answer, but come up with something better instead. Featuring crucial academic subjects including English (Q: Name a key theme in *Madame Bovary*; A: Cows), Geography (Q: Where can you find the Andes?; A: Google Earth), Science (Q: Describe the properties of a meteor; A: An animal that only eats meat) and more, *F this Test* rounds out the curriculum with an extra-credit section for those tricky elective courses, and demonstrates that it's more fun to laugh when faced with an absolute fail.

Editorial Review

Review

" F this Test looks at the very best of very wrong test answers. Across a full day's worth of classes, from English to the performing arts, Richard Benson has collected real answers from tests where students, faced with total blanks, took the lower road and went for the funny. Perhaps that's what the F stands for - funny? Because there are plenty of good laughs to be found in this short collection."
