Lexi, Baby (This Can't Be Happening Book 1) By Lynda LeeAnne

Alexis Sky Martine thinks of herself as the average girl-next-door who does what she has to do to get by, have fun and enjoy life. She is madly in love with her sexy, drop-your-panties-at-first-sight, hottie boyfriend who is equally in love with her; more like downright obsessed. He treats her like she is his heart; like he needs her to exist; like he would do anything in his power to make her happy. Lexi knows Landyn James loves her just as much as she loves him, if not more. Deep down, she also knows high school sweethearts aren't expected to last, but their relationship is different. They are soul mates. Their connection is unbreakable.

What could possibly go wrong when you have love like that? Everything. What will the future hold? Only time will tell.

Author's Note: Contains Adult Content – Namely, a teenager turned woman with a very dirty mouth and fiery temper that may or may not know how to throw a punch. Also includes hot and steamy scenes, and a small glimpse into physical/verbal abuse.

From reader reviews:

John Drew:

What do you concentrate on book? It is just for students because they're still students or this for all people in the world, the particular best subject for that? Just you can be answered for that issue above. Every person has various personality and hobby for each other. Don't to be obligated someone or something that they don't desire do that. You must know how great and also important the book Lexi, Baby (This Can't Be Happening Book 1). All type of book could you see on many resources. You can look for the internet methods or other social media.

Janelle Smith:

Information is provisions for those to get better life, information today can get by anyone with everywhere. The information can be a expertise or any news even an issue. What people must be consider whenever those information which is in the former life are hard to be find than now could be taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you have the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen within you if you take Lexi, Baby (This Can't Be Happening Book 1) as your daily resource information.

Carol Benally:

Is it anyone who having spare time after that spend it whole day by watching television programs or just lying on the bed? Do you need something new? This Lexi, Baby (This Can't Be Happening Book 1) can be the respond to, oh how comes? A fresh book you know. You are thus out of date, spending your time by reading in this brand new era is common not a geek activity. So what these ebooks have than the others?

Isaiah Owens:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just small students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading really. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Lexi, Baby (This Can't Be Happening Book 1) can make you really feel more interested to read.
