**Nurses' Handbook of Health Assessment** By Janet R. Weber RN EdD

Renowned for its holistic perspective and "see and do" approach, this full-color, pocket-sized handbook offers step-by-step guidance on every phase of the nursing assessment—for adults, children, and special populations. The focus is on what nurses need to know to assess clients: the health history, physical examination, normal and abnormal findings, nursing interventions, and nursing diagnoses. This edition presents a complete update of all content and references, and contains new chapters on mental status and assessing frail, elderly clients.
