It is my exceptional privilege to share the revelations that I have received from my Father-God in the past – revelations that I still receive today – with you. I accept that there will probably be people who doubt the credibility of this book; there will be many for whom these revelations will appear entirely strange and foreign.

All I ask is to share my experiences with you. What I have experienced is so indescribably special and nothing anyone can say or think or do will detract from the incredible wonder that it holds for me as a person.

I know that the almighty Creator-God and our heavenly Father lives. I know that he speaks to me and comes to fetch me to show me and let me experience heaven and the secrets of heaven. These heavenly experiences and conversations I witnessed through the Spirit and in the spirit.

I believe it is my Father-God's desire to teach his beloved children, through this book - the second in a series of revelations - how deep his longing is to have a personal relationship with each and every one of us.

I therefore invite you to join me on this wonderful path of revelations – and to know: heaven is an inexplicable, beautiful reality. The heavenly hereafter has become a living reality for me.

During my heavenly journeys I pleaded with Jesus Christ on more than one occasion: "I want to stay here in heaven with You, my dearest Jesus." But I had to return to write everything down and convey the message of our Father-God to his children. He gave me the assignment: "Go and tell my children that hell exists. Somebody who chooses eternal death over eternal life will never be able to return from that terrible damnation."

Just as he said: "Heaven is a reality. I love you all very much and I am waiting to welcome my children, my bride, into the eternal royal house."

Perhaps I should first explain how it came to be that the Father showed me heaven. On 12 June 1960, as a 15-year-old girl, I accepted Jesus as my Saviour. But it was only in June 2005 that I was baptized with the Holy Spirit. Thereafter the Father turned my whole life around.

During a visit to Israel in 2007 our group stayed in a guest house at the Sea of Galilee. One morning around five o'clock the Father woke me, took me away in the Spirit and in a vision showed me the entrance to hell (Hades). Next to a deep and dark hole that stretched down into the earth was a wall several meters high.

For approximately 20 minutes the Father let me undergo what it feels like to descend into the darkness of Hades and experience the powerlessness of being trapped in there and never able to return. It was the most horrifying experience I had ever known, and I will do everything to prevent anyone from ending up there.

The Father's voice was audible and clear when he said to me: "Those who go to the dark depths of the eternal darkness will never be able to return from there. Go tell this to my children."

Naturally, I was in a complete state of shock; I was traumatised for days on end and constantly in tears. The morning of our departure from Israel I went and sat on the flat roof of the guest house, where we had slept the last night in Jerusalem, and looked out over the city. Suddenly I saw a vision of Hades again, but this time there was a difference: Jesus Christ, the Messiah, was standing on the edge of the abyss. His back was turned to the entrance of hell. Again I could hear the following words: "It is only Jesus who can prevent people from being lost. Go tell this to my children: Jesus Christ is the way, the truth and the life. No one can come to me lest it be through him."

Upon our return to South Africa I was still in a state of shock. I did not and could not talk to anyone about the visions.

A few nights later, during a prophetic service, the following message was prophesied to me. It was a confirmation that my Father-God was walking a road with me. The prophet's words to me were:

"You've been through hell in your life, and in trut
