**What He Wants: A Second Chance Romance** By Kelli Wolfe

### **I'm not going to stop until I get what I want.**

When I was sixteen years old I fell in love with my best friend, Luke. The day I turned seventeen, I made the mistake of telling him. It didn't quite work out the way I'd hoped. For the rest of the school year we barely spoke to one another, and as soon as I graduated I fled to the other side of the country to put as much distance as I could between us and the memory of what had happened.

Now it's the summer after I graduated from college, and Luke is at my family reunion looking like sex on a stick. Suddenly I'm right back where I was four years ago, except this time I'm not going to make a fool of myself over him. Once was more than enough.

But Luke has other plans, and he's making his interest in me crystal clear. He isn't going to leave me alone.

*Until we both get what we want.*

A previous version of this book was released under the same title. The relationship between the main characters has been altered for this version.
