A New Hope (Star Wars: Infinities) By Christopher S. Warner

A long time ago, in a galaxy far, far away... The events and players are very familiar but something isn't quite right. Luke Skywalker valiantly attacks the Death Star, fires his torpedoes — and they miss their mark! Welcome to a *Star Wars* you never imagined, a *Star Wars* shattered, a *Star Wars* where the possibilities are ENDLESS! Dark Horse Comics is proud to introduce *Star Wars: Infinities — A New Hope*, the first in a series of non-continuity *Star Wars* stories which are sure to delight *Star Wars* fans of all ages. Taking off from the end of events in the movie *A New Hope*, *Infinities* readers will follow Luke, Han, Leia, Threepio, and Artoo on a journey every bit as action-packed and fantastic as the original *Star Wars* trilogy. Collecting the four-issue miniseries.

Editorial Review

From School Library Journal

Adult/High School-Remaining faithful to the themes and sensibilities of classic Star Wars, this episode pits good against evil in the persons of a Luke so young that he is not in full possession of the discipline he needs to effect the ends he believes to be right and Darth Vader's forces of trickery and destruction. Princess Leia is kidnapped and Luke is desperate to find the truth of her fate, but Artoo has been put out of commission and that, too, requires more focused attention than the young hero can muster. He conflicts with Han over the proper approach to resolving these emotional and ethical issues but, eventually, learns to gain control of himself before taking on the dark forces. The beautiful coloring of these action-packed panels gives a cinematic fullness to the page, and the pacing carries the story forward with smooth speed. This is an excellent addition to science-fiction collections, as well as to graphic novel offerings.

Users Review

From reader reviews:

Tamera Duckett:

As people who live in typically the modest era should be up-date about what going on or details even knowledge to make them keep up with the era which can be always change and move forward. Some of you maybe will probably update themselves by examining books. It is a good choice for you personally but the problems coming to a person is you don't know which you should start with. This A New Hope (Star Wars: Infinities) is our recommendation to make you keep up with the world. Why, as this book serves what you want and want in this era.

Samantha Flowers:

Information is provisions for people to get better life, information today can get by anyone at everywhere. The information can be a expertise or any news even a concern. What people must be consider whenever those information which is within the former life are challenging be find than now's taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you get the unstable resource then you have it as your main information there will be huge disadvantage for you. All those possibilities will not happen within you if you take A New Hope (Star Wars: Infinities) as the daily resource information.

Rose Miller:

The reason why? Because this A New Hope (Star Wars: Infinities) is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will zap you with the secret this inside. Reading this book close to it was fantastic author who have write the book in such wonderful way makes the content within easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you for not hesitating having this anymore or you going to regret it. This unique book will give you a lot of

positive aspects than the other book include such as help improving your proficiency and your critical thinking method. So , still want to delay having that book? If I have been you I will go to the publication store hurriedly.

Jacob Brown:

Are you kind of occupied person, only have 10 or 15 minute in your morning to upgrading your mind ability or thinking skill also analytical thinking? Then you have problem with the book in comparison with can satisfy your limited time to read it because this time you only find publication that need more time to be learn. A New Hope (Star Wars: Infinites) can be your answer because it can be read by an individual who have those short time problems.
