Editorial Review

Review

"This masterful work on Civil War field artillery was written by a team of authors--a physician, a skilled mechanic, and a professional engineer, each a longtime student of the war. The book is at once informative, entertaining, and useful."

Users Review

From reader reviews:

Carol Witt:

Reading a guide tends to be new life style in this era globalization. With studying you can get a lot of information that can give you benefit in your life. Along with book everyone in this world may share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their reader with their story or maybe their experience. Not only the storyline that share in the books. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors in this world always try to improve their talent in writing, they also doing some exploration before they write for their book. One of them is this Field Artillery Weapons of the Civil War.

Patricia Gallagher:
