Ice By Lyn Gardner

Finalist in the 2015 National Indie Excellence Book Awards for LGBT Fiction **Winner of the Gold Medal in the 2014 Global Ebook Awards in Gay / Lesbian / LGBT Fiction** **Indie Book of the Day – April 19, 2013** The last time Maggie Campbell and Alexandra Blake worked together, they both received two-week suspensions. This time...it's worse. When a boy is kidnapped from a London park, Detective Inspectors Alex Blake and Maggie Campbell are brought together to work on the case. While their goal is the same, their work ethics are not. Intelligent, perceptive and at times disobedient, Alex Blake does what she believes it takes to do her job. Maggie Campbell has a slightly different approach. She believes that rule books were written for a reason. Unexpectedly, their dynamics mesh, but when her feelings for Alex become stronger than she wants to admit, Maggie provokes the worst in Alex to ensure that they will never be partners again. Three years later, fate brings them together again. Their assignment is simple, but a plane crash gets in their way. Now, in the middle of a blizzard, they have to try to survive...and fight the feelings that refuse to die.

Editorial Review

About the Author

Lyn Gardner began her career writing fan fiction. In 2009, she sat down and wrote a story with no expectations other than to entertain. Three years later, at the insistence of her readers, and after listening to their praise as well as their prods, she published her first book - Ice. Now a multi-published author, Lyn lives in the sunny state of Florida where she enjoys playing a round of golf every now and then...that is, when her muse isn't whispering in her ear. You can find out more about the author by visiting her website or her blog, or feel free to follow her on Twitter or Facebook...and by all means, say hello if you'd like. Users Review

From reader reviews:

Mamie Wilson:

The book Ice can give more knowledge and also the precise product information about everything you want. Why must we leave the best thing like a book Ice? Several of you have a different opinion about guide. But one aim that will book can give many facts for us. It is absolutely correct. Right now, try to closer together with your book. Knowledge or data that you take for that, it is possible to give for each other; it is possible to share all of these. Book Ice has simple shape nevertheless, you know: it has great and large function for you. You can search the enormous world by open and read a reserve. So it is very wonderful.

George Sanders:

Information is provisions for anyone to get better life, information today can get by anyone at everywhere. The information can be a know-how or any news even a concern. What people must be consider if those information which is from the former life are challenging be find than now could be taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you find the unstable resource then you understand it as your main information you will have huge disadvantage for you. All those possibilities will not happen with you if you take Ice as your daily resource information.

Marvin Smith:

Hey guys, do you desires to finds a new book to study? May be the book with the subject Ice suitable to you? The actual book was written by well known writer in this era. The actual book untitled Iceis one of several books that will everyone read now. This book was inspired a number of people in the world. When you read this guide you will enter the new shape that you ever know ahead of. The author explained their strategy in the simple way, so all of people can easily to know the core of this guide. This book will give you a large amount of information about this world now. So that you can see the represented of the world in this particular book.

Tyrone Hogans:

Reading a book to get new life style in this yr; every people loves to examine a book. When you read a book you can get a lots of benefit. When you read books, you can improve your knowledge, since book has a lot of information on it. The information that you will get depend on what kinds of book that you have read. If you want to get information about your research, you can read education books, but if you want to entertain yourself you are able to a fiction books, this kind of us novel, comics, and soon. The Ice provide you with a new experience in studying a book.
