#### From the Publisher

For many years I have said one of the goals of Llewellyn is what I call the "democratization of magic." By this I mean that various techniques which put you back in control of your life should be available to everyone. A prime example of this can be found in William W. Hewitt's *Psychic Development for Beginners*.

With the information in this book you don't have to go to a psychic. Now, *you* can be your own psychic. You can share the more than three-dozen exercises that will help you develop your psychic abilities. You can even do psychic healing for yourself and others.

This book puts you in control. Do you think you are under psychic attack? You will be able to deal with it. Do you need to communicate with someone who is not near a phone? You can learn telepathy. Would you like to contact spirits? This book shows you how.

Virtually all of the major psychic abilities are not only described, but are fully explained so you can do them. The exercises teaches you the skills, and helps you expand them. You can use them for your own purposes, even for such mundane things as finding a good parking place or waking up on time. But you can also use them to astral travel and heal others.

Whatever your goals in life, you'll find that *Psychic Development for Beginners* will give you a boost to achieve your desires.

As a **SPECIAL OFFER** we're including with every copy of this book a card that will allow you to receive a free copy of *FATE*, the world's leading magazine of the paranormal (new subscribers only). This would cost you \$4.95 at the newsstand, so this is a great deal!
