Sentences: The Life of M.F. Grimm By Percy Carey, Ronald Wimberly

Written by Percy Carey Art and cover by Ronald Wimberly Underground rap icon Percy Carey tells the true story of his life in the "Hip-Hop Game" - the dizzying heights and heartbreaking losses - in the raw and brutally honest hardcover graphic novel memoir SENTENCES: THE LIFE OF M.F. GRIMM. In SENTENCES, Carey chronicles his life in the sometimes glamorous, and often violent, hip-hop industry; from the first time he picked up a microphone at a block party as a youngster, to the day he lost the use of his legs to gang violence, to his incarceration, and eventually, to his self-reinvention and rise back to the top of his game, becoming a Hip-Hop Grand Master and being placed among the pantheon of the culture. No questions are left unanswered and no apologies are made, resulting in what's sure to be a groundbreaking graphic novel. Joining Carey is up-and-coming artist Ronald Wimberly (LUCIFER, HELLBLAZER: PAPA MIDNITE covers), who breathtakingly illustrates this gritty tale of righteous redemption. If what you know about hip-hop is the flashy cars and voluptuous women that music videos try to sell, be prepared to experience the real side of the industry that only someone who has survived the rise, fall, and rise again, can tell.

Editorial Review

From Publishers Weekly

Black, white and gray are the appropriate palette for this somber autobiographical narrative. Carey covers his experiences from his years as a child performer on *Sesame Street* through hip-hop stardom as MF Grimm. His simultaneous life as a dope dealer leads to a darker turn, as a drug-feud ambush leaves him paralyzed from the waist down. The story follows his subsequent time in prison and his current career as an entertainment producer. Along the way, he gives glimpses of the mother who fiercely defended him and the neighborhood that nurtured him, but he gives more stress to his exploits as a thug, his meetings with hip-hop stars he considered rivals and/or peers, and the hunger for money and recognition that led him to take dangerous risks. Wimberly's art reinforces Carey's raw script—solid dark masses engulfing graceful, jittery linework in the style of Eduardo Russo's *100 Bullets*, but the full impact of Carey's experiences doesn't come through. So many things are happening that it's hard to remember who's doing what to whom, and why it matters. That's unfortunate, because Carey *wants* to make his life meaningful as he urges young readers to choose something besides guns and crime. (Sept.)

About the Author

Born and raised in Manhattan, Percy Carey has been a part of the hip-hop community since the early 1990s. He was known for being a fierce battle MC, and was pondering several record deals when an attempt was made on his life in 1993. He was left paralyzed from the neck down but eventually regained the use of his arms. From his wheelchair, Carey rebounded into his music, releasing classic underground singles on Bobbito Garcia's Fondle Em Records as well as his legendary recorded work with MF Doom and The Monster Island Czars. After serving time and beating a life sentence for conspiracy to distribute narcotics, Carey created Day By Day Entertainment to promote and develop musicians across the rock and hip hop spectrum.

Users Review

From reader reviews:

Valerie Israel:

Do you certainly one of people who can't read pleasurable if the sentence chained within the straightway, hold on guys this specific aren't like that. This Sentences: The Life of M.F. Grimm book is readable by you who hate the straight word style.
