**The Desperate Submissive (The Born Submissive Series Book 1)** By L.L. Chance, Edward Laste

Some Girls are trained to become submissive, but others seem born to it. Alice was one of the latter, and only had one problem; she had no Master to submit to. Desperate to find the man who could control her the way she needed, and after many disastrous attempts at hooking up with wannabe Dom's, she thought she might finally have a workable plan.

If you can't find a good Master, why not train one?

Other than having no clue what BDSM was all about, her current boyfriend Lucas was perfect. Kind, polite, generous, tender, loving, and handsome as well... he was everything normal girls dream of in a partner. It wasn't exactly the traits one would expect to find in a potential Master, but with a bit of patience and a lot of helpful advice, she was confident she could steer him down the right path.

Of course, she could only start him down the path and then the rest was up to him.
