### **The Forgotten Soldier** By Guy Sajer

This book recounts the horror of World War II on the eastern front, as seen through the eyes of a teenaged German soldier. At first an exciting adventure, young Guy Sajer's war becomes, as the German invasion falters in the icy vastness of the Ukraine, a simple, desperate struggle for survival against cold, hunger, and above all the terrifying Soviet artillery. As a member of the elite Gross Deutschland Division, he fought in all the great battles from Kursk to Kharkov. His German footsoldier's perspective makes *The Forgotten Soldier* a unique war memoir, the book that the *Christian Science Monitor* said "may well be the book about World War II which has been so long awaited." Now it has been handsomely republished as a hardcover containing fifty rare German combat photos of life and death at the eastern front. The photos of troops battling through snow, mud, burned villages, and rubble-strewn cities depict the hardships and destructiveness of war. Many are originally from the private collections of German soldiers and have never been published before. This volume is a deluxe edition of a true classic.
