**Where Angels Fear to Tread (Annotated)** By E. M. Forster

\*Thoroughly edited. Does not contain the numerous typographical errors of other editions.

The first of Forster's Italian novels.

Where Angels Fear To Tread is ... a whirlwind that spins around the character of Philip Herrington, who is torn between what he believes is right, and what he has been taught to believe is right. His attraction to the swarthy Gino adds an unspoken layer of tension to that conflict. It's a surprising book because it defies convention, and oscillates between comedy and tragedy. -- Christopher Bryant, Polari Magazine
