Debrief a Complete History of U.S. Aerial Engagements - 1981 to the Present By Craig Brown

Every engagement that has resulted in an official 'kill' by all U.S. forces since the end of the Vietnam conflict is chronicled in this book. Not only is this the only complete work on the subject, but almost every one of the fifty-six accounts are told by the pilots involved. These engagements involve F-14s, F-15Cs, F-15Es, F-16s, F/A-18s, and A-10s. Many of these stories have never been told outside of classified reports, and many of the photos have never been previously published. Debrief is the first book from author and former USAF fighter pilot Craig Quizmo Brown. The foreword is by USAF Ace and legend BGen Robin Olds.
