FORCE (Southside Brotherhood MMA Book 1) By Dani Wyatt

There are forces for good. Forces for evil.

Then, there is Cameron 'The Force' Cobain. A tattooed MMA fighting machine with two felonies, a filthy mouth and one violent obsession.

He's drop-your-panties, dead sexy with a body like a monolith and eyes the color of shattered blue ice.

Raised in a world where you are either the victor or the vanquished, he was trained to be lethal. I know, because I was there.

Since the days of pig-tails and skinned knees, I've counted on him, loved him and hated him. Because some mistakes cannot be forgiven.

Now, he's gone. I'm alone. The wolves are coming and my own father is pointing them my way.

When Cameron comes back, he's after more than blood. He's after me.

Why? I'm not the platinum blond, ring card girl. I'm the good girl. The straight A, keep-your-head-down-so-no-one-will-notice-me girl.

I've felt his force and I'm being swept away. Can our two broken halves come together to make us whole? Or, will we find out, in some fights, no one wins.

Author Note: If you want a possessive, borderline psycho, alpha with eyes only for his girl. A happily ever after and naughty bits sure to light up any fourth of July, then step inside, it's steamy. This is a stand alone novel with a an ultra dominant alpha male, NO CHEATING, a HEA and content that may require one handed Kindle holding.
