### Editorial Review

#### Review

##### Amazon.com Reviews:

*"Erich has the ability to break the subject down into workable pieces. He blends the musical theory with practical demonstrations that enables you to understand the various basic skills. His use of videos and written material is well thought out. All you have to do is practice. This ebook is a great place to start learning the guitar. It's also an excellent refresher to review your skills." - Henry*

*"This is an excellent book, with lots of encouragement from the author for the student. He has solid advice for everything except what to do about my small hands!... I recommend this book for beginning to intermediate guitar students." - G-MAn, "Gary"*

#### From the Back Cover

*Guitar Mastery Simplified* unlocks the quickest, step-by-step, full-proof system for mastering the guitar. Quickly tame left and right hand techniques like the masters and know EXACTLY where to play on the neck for melodies and rhythms. As the title states, the information in this book will FINALLY simplify your mastery of the guitar. Erich's unique teaching methods have made possible what was not possible before to millions of players throughout the globe. Whether you are a beginner, intermediate or advanced guitarist, the methods and paths chosen in this book will create immense breakthroughs even if you have studied this instrument before.

#### About the Author

Erich began playing guitar at age 14 on a VERY "affordable" nylon-string student guitar. He started playing by ear, but then took one-on-one lessons with teachers throughout his hometown. Entering college as a classical guitar major, Erich changed his major 3 years later to music business when he moved to Nashville Tennessee and graduated from Belmont University. Erich began teaching in high school and continued throughout college because of his love of the instrument and his passion for helping people. Throughout nearly 3 decades of teaching and study, he has discovered and simplified methods for mastering technique and theory from the perspective of the learning student, NOT from the perspective of the frustrated teacher. Erich has taught millions of players around the world that once thought they were unteachable. He still teaches one-on-one lessons, writes books about music, loves to travel, do yoga, enjoys the outdoors and is a big supporter of animal welfare.

#### From reader reviews:

##### John Lee:

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to be aware of everything in the world. Each publication has different aim as well as goal; it means that book has different type. Some people really feel enjoy to spend their a chance to read a book. They may be reading whatever they consider because their hobby is actually reading a book. How about the person who don't like studying a book? Sometime, man feel need book when they found difficult problem or maybe exercise. Well, probably you'll have this **Guitar Mastery Simplified: How Anyone Can Quickly Become a Strumming, Chords, and Lead Guitar Ninja**

Chords, and Lead Guitar Ninja.

**James Donofrio:**

As people who live in often the modest era should be up-date about what going on or information even knowledge to make these individuals keep up with the era and that is always change and move ahead. Some of you maybe will certainly update themselves by examining books. It is a good choice for you personally but the problems coming to you actually is you don't know which one you should start with. This *Guitar Mastery Simplified: How Anyone Can Quickly Become a Strumming, Chords, and Lead Guitar Ninja* is our recommendation to help you keep up with the world. Why, because this book serves what you want and wish in this era.

**Cynthia Briscoe:**

This *Guitar Mastery Simplified: How Anyone Can Quickly Become a Strumming, Chords, and Lead Guitar Ninja* is great guide for you because the content which can be full of information for you who all always deal with world and still have to make decision every minute. This specific book reveal it information accurately using great manage word or we can claim no rambling sentences in it. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but tricky core information with attractive delivering sentences. Having *Guitar Mastery Simplified: How Anyone Can Quickly Become a Strumming, Chords, and Lead Guitar Ninja* in your hand like getting the world in your arm, details in it is not ridiculous a single. We can say that no guide that offer you world with ten or fifteen moment right but this publication already do that. So , it is good reading book. Hi Mr. and Mrs. hectic do you still doubt which?

**Marlyn Melia:**

Reading a book make you to get more knowledge from the jawhorse. You can take knowledge and information originating from a book. Book is prepared or printed or outlined from each source in which filled update of news. In this particular modern era like currently, many ways to get information are available for an individual.
